A meeting was held yesterday at the Elk's Club by captains who have been appointed for the Christmas Red Cross Membership Drive in Glendale at which considerable enthusiasm was manifested.

Mrs. Mabel Franklin Ocker is the chairman and official head of the drive and that in itself is a guarantee of its success. Her field covers Glendale, Casa Verdugo and other outlying territory. She will be ably assisted by Mrs. C. E. Harlan.

The drive will begin December 17, and last until December 24th, inclusive.

Names of captains, as submitted by Mrs. Ocker, are:

TOWNSHIP COURT MATTERS

The Christmas spirit of Peace on Earth, Good Will to Men, while it helps some, does not put Judge Harry Miller, the Burbank township Justice of the Peace, out of business. This morning a Mexican, Jose Campos by name, was arraigned in his court for murder. December 12th at La Canada, Campos shot another Mexican, Savino Salgado, who was taken to the County Hospital mortally wounded and died last night. In the interval Campos took to the hills. Active search was begun for him and last night his capture was effected by Constable H. E. Purrier. His preliminary hearing will come up before Judge Miller, December 20th.

Next Monday Pedro Martinez, who assaulted Ricardo Salazar at La Cresenta last week, will have a hearing at 10 a. m. His victim is recovering.

CHRISTMAS MATERIAL COLLECTED

As usual, the library staff has compiled a list of books suitable for Christmas and these may be obtained by those wishing such material by inquiry at the desk. Mrs. Danford has learned that this custom of collecting all books on a given subject that is of interest to a number of people is greatly appreciated and the patrons of the library have found it a great convenience. Already teachers, students and others have found on the shelf of Christmas books just the material for which they were looking.

CHRISTIAN ENDEAVOR SOCIAL

The Christian Endeavor Society of the Congregational church held a most enjoyable social at the home of Dr. and Mrs. E. H. Willisford, Thursday evening.

Interesting games were played and refreshments served. The society is doing effective work. Plans for a larger society are being worked out.

Young people not regularly attending other young people's meetings are cordially invited to attend the meetings of the Congregational Christian Endeavor. The intermediates meet Sunday evenings at 6:15 o'clock and Y. P. S. C. E. at 6:30 o'clock.

WHY NOT MORE HONEY?

A friend remarked to us the other day, "Why is not more attention given to the manufacture of honey? With an almost certain shortage of sugar the next few years, the manufacture of honey in large quantities would relieve this vital need greatly." There is food for thought in this. Honey can be used in many ways—as a sweetener in making many kinds of candy and as a "spread" for bread. Vacant lots could be utilized for bee culture and if planted to some quick growing vegetation which flowers profusely and is good for honey making, a paying industry would be established. Should the war continue much longer the government will undoubtedly take cognizance of this vast field for sugar conservation by appointing a commission to look after it. With honey at 20c to 30c a frame and the strained variety at 20c a pound and upward, an increase in production is badly needed.

WEATHER FORECAST—Fair tonight and Sunday. Heavy frosts. Westerly winds.

O. E. S. INSTALLATION

NEW OFFICERS OF GLEN EYRIE INSTALLED AT BRILLIANT IMPRESSIVE CEREMONY

A more brilliant event has never been recorded in the history of Glen Eyrie Chapter, O. E. S., than that which took place in the Masonic Temple, Thursday evening, December 13th, when as a fitting climax to the most successful year the Chapter has ever known, Mrs. Lillian Beamon, retiring Worthy Matron acted as Installing Officer for the evening. The hall was artistically decorated, poinsettias, ivy, ferns and smilax being used in profusion and too much credit cannot be given to those having this in charge: Mrs. C. M. Good, chairman, assisted by the Mesdames Deal, Betz and Pulliam.

The meeting was called to order by the Jr. Past Patron, Warren Quincy Roberts. At this time the Installing Marshal, Miss Harriett Nichols and Installing Chaplain, Mrs. Mary Ogden Ryan entered. The Installing Marshal was instructed to escort the Installing Officer, Mrs. Lillian Rae Beamon into the Chapter room. A very attractive feature was then introduced when the Installing Marshal conducted "Old Glory" into the room, reminding us of our loyalty to our country; this handsome emblem was carried by Master Charles Beamon. Dr. W. Frank Holman, of Los Angeles, Jr. Past Grand Patron and Dr. Harry Brown, of Glendale, Past Grand Associate Patron were escorted to the East, followed by the Past Matrons and Patrons of Glen Eyrie Chapter. Next in order was the entrance of the Officers Elect, attractively attired in gowns of white, carrying shower bouquets of Cecil Bruner roses and maiden hair fern.

At different periods during the installation, solos were rendered by the following: Vocal solo, by Miss Marie Oliver, whistling solo, by Mrs. Blanche Head and piano solo by Mrs. H. R. Boyer, which were enthusiastically received, each being presented with a handsome shower bouquet of pale pink carnations. Mrs. Pierce of Los Angeles, presided as Installing Organist, adding much to the impressiveness of the ceremonies; she also was presented with flowers.

Mrs. Blanche Peterson, newly installed Marshal, was presented with beautiful flowers by Mr. and Mrs. Jameson.

In a gracious and dignified manner the following officers were installed: Miss Della Marie Echols, Worthy Matron;

Robert Milton Grumblin, Worthy Patron;

Mrs. Mary Garnett Pollock, Associate Matron;

Mrs. Josephine Woolsey, Secretary.

ALLIED CRISIS ON WESTERN FRONT

UNITED PRESS CORRESPONDENT SEES GRAVITY OF THE PRESENT SITUATION FOR THE ALLIES

(Special Service to Glendale Evening News)
By Ed L. Keene, United Press Staff Correspondent
(Copyrighted 1917 by United Press)

LONDON, December 15.—There is no use trying to camouflage the gravity of the situation on the west front—the only theatre of war which in the last analysis really counts. Lloyd-George's speech here yesterday is regarded today as a call to arms in a present day crisis.

The set-back of the British army on the west front nullifies Gen. Byng's splendid advance and marks the end of the British offensive for some time.

The initiative has now passed to Hindenburg and most competent experts predict that only the greatest efforts can prevent Germany's fulfillment of her boast to break through the allied lines before American participation can equalize the reinforcement of the German line from the Russian front—a half million picked men.

Besides restoring Hindenburg's initiative Gen. Byng's reverses demonstrate the untruths being circulated in regard to the enemy—that the German morale is waning; that Germany's collapse is impending and that the enemy is incapacitated for an offensive.

The grim fact remains that an allied crisis is at hand.

HOOVER COMMITTEE "ADJUNCT OF TRUST"

SPRECKELS CHARGES FOOD ADMINISTRATION WITH ATTEMPT TO SADDLE HIGH SUGAR PRICES ON PEOPLE

(Special Service to Glendale Evening News)
WASHINGTON, December 15.—Charge of an attempt by the "sugar trust" to saddle high prices on the American people through the Hoover committee was made today by Claus Spreckels.

He declared the food administration committee to be a "mere adjunct of the trust" and seeks to bind all American refiners to allow it to control the future Cuban crop at its own price.

QUESTIONNAIRES ARE MAILED

LOCAL BOARDS BEGIN TODAY SIXTY-DAY CLASSIFICATION PERIOD FOR DRAFT ELIGIBLES

(Special Service to Glendale Evening News)
WASHINGTON, December 15.—Questionnaires were mailed today from local boards to the first 5 per cent of registered men, marking the beginning of a sixty-day classification period under the new draft regulations.

The mailing will be continued at stated intervals until all draft eligibles have been reached.

QUARTERMASTER REPORTS DELINQUENCY

BLAMES CONTRACTORS AND TRANSPORTATION CONGESTION FOR DELAY IN WAR PREPARATION

(Special Service to Glendale Evening News)
WASHINGTON, December 15.—Facing investigation by the Senate Military Committee, the army Quartermaster General's department announced today delinquency in the delivery of clothing, shoe and blanket contracts from 6 to 48 per cent.

This slow delivery is blamed on contractors and transportation congestion. The Quartermaster General's office stated that "adequate supplies of clothing to provide for all men in the service" would be available if proper delivery was made and "uninterrupted adequate supplies for the future would be assured."

The contracts submitted at the investigation showed the immensity of American war preparation. Eight million hats, 21,000,000 pairs of shoes, over 17,000,000 blankets and 6,000,000 overcoats are contracted for.

It is on much of this that deliveries have been short.

HIGH SCHOOL NEWS

The orchestra of Glendale Union High has been engaged to play at the opening session of the County Teacher's Institute at the old Los Angeles High School building. Mrs. Curtis is disappointed because she cannot take the Glee Clubs as well, but that was out of the question because so many students have taken holiday positions in the stores and elsewhere.

The Christmas exercises at the High School auditorium yesterday afternoon furnished a very nice musical program. The Boy's Glee Club sang a Christmas song, two carols were sung by the whole school. A little Christmas hymn which was a gem in its way and which was composed by Henrietta Sonner of the class in harmony, was sung effectively by Helen Esterly. By way of variety seniors presented a farce which was received with enthusiastic applause.

In the afternoon there were parties by the German, Spanish and French classes, also by the Science class.

BAZAAR RECEIPTS

From Mrs. George L. Whitaker, chairman of the Red Cross bazaar, word is received as the News goes to press, that receipts will total in the neighborhood of \$550 which is a splendid return in view of all the circumstances. In this connection the Bazaar Committees desire that thanks and due credit be given the Elks for this happy result and also to all who contributed in any way.

In connection with the Red Cross Bazaar, credit should be given the young ladies who so cheerfully served at the Red Cross supper. Misses Mildred Whitaker and Gladys Mason, who head the list had already done efficient work at the candy booth. Associated with them as waitresses were: Birdie and Grace Shropshire, Louise Hester, Franc Kiench, Mina Smith and Carol Poss.

W. B. Broad, 130 E. Fifth street, is the latest contributor to the municipal flag pole, having left his check for \$3 at this office yesterday.

MONTHLY LUNCHEON

P.E. OFFICIAL TELLS SOME PLAIN TRUTHS AS TO COMPANY'S POLICY

The monthly get-together luncheon of the business and professional men of Glendale held Thursday in the Masonic Temple was fairly well attended, considering the season of the year.

The luncheon was served by the ladies of the Presbyterian Church and the service was spoken of favorably by those in attendance. After several local announcements had been made by persons present, E. C. Thomas, of the Pacific Electric Railway was introduced and spoke in a very interesting and instructive manner concerning the policy of the company he represents. Mr. Thomas spoke the plain truth, and when he finished his address there were not many hearers anxious to invest in Pacific Electric stock.

The speaker declared that his company has not been paying dividends to stockholders and that the company is doing business at something like an \$800,000 loss per year. He said that in the early history of the road extensions were made to remote points and the passenger and freight traffic to and from these points has not up to the present time been sufficient to pay the expense of running cars to these points. He said the extension from Glendale to Burbank has been losing the company money up to the present. The speaker intimated that the Glendale line proper pays sufficient over expense of running to about make up the loss on the extension to Burbank. The speaker referred to other lines that are not paying the company at present, but for the good of these remote communities and with a view of doing a paying business in the future these roads are kept up.

Mr. Thomas said: "Several years ago when Glendale citizens asked for an expensive improvement to be made by the Pacific Electric company, at that same time forty-six cities were asking for improvements of a similar character to be made. The truth of the whole matter was there were only \$4000 on hand to make improvements, and it was not practicable to borrow the money."

In speaking of the crowded condition of the cars during the morning and evening traffic, Mr. Thomas said the question of handling the traffic at these hours of the day is a difficult problem. Every car is brought into service, and to go to the expense of getting additional cars just for use two or three hours of the day and to stand idle as many cars are now doing during the day when the traffic is light, would not be good business any more than it would be good business for a groceryman to have six auto delivery trucks on duty at the busiest hours of the morning and have them idle other hours of the day.

In conclusion Mr. Thomas said: "The Pacific Electric company is now short on passenger and freight cars to suburban points on account of being prompt to furnish ample cars to transport U. S. Government workers and freight to San Pedro." He said "the company stands ready to work at a great sacrifice that the war preparations may go on without interruption."

The fourth monthly get-together meeting of the business and professional men of the community will likely be held about the middle of January, at 6:30 in the evening, at which time Mr. Damon, of Pasadena, will be the speaker.

MRS. GOODRIDGE HOSTESS

Mrs. Goodridge entertained the ladies of the Auxiliary of the First Congregational church at her home on Bena Drive on Thursday, December 13. A delicious lunch was served to 32 ladies followed by a business meeting. A happy social hour in which the knitting needles clicked to the accompaniment of the Edison phonograph, and piano solos by Mrs. Owens was greatly enjoyed. The guests were greatly delighted with the beautiful view from the veranda of their hostess. The ladies declared this last meeting of the year the climax of all the happy meetings they have enjoyed.

A PAPER FOR SOLDIER BOYS

One of the most suitable Christmas presents you can send to a soldier boy is a receipt for a year's subscription for the Glendale Sentinel-Progress, the weekly companion of the Evening News. The subscription price is \$1.00 per year in advance, if ordered before January 1, 1918. After that date the price will be \$1.50 per year.

AT CAMP LEWIS

HARRY FRANCY WRITES INTERESTING LETTER ON LIFE IN TRAINING CAMP

Camp Lewis, Wn., Dec. 8, 1917.

Dear Mother: Joe Gaul, Ernest Collins and I just returned from a hike around camp and thought I would drop into the Y. M. C. A. and write a few lines.

Mark got K. P. duty today, that is he helps in the kitchen. K. P. duty is about as follows: get up at 5:45 a. m., wash, dress and be in the kitchen at 6:00, then at mess you wait on a table assigned and after all are done, you eat. After breakfast you wash the dishes, peel 200 pounds of spuds, scrub tables, dining rooms, etc. At 11:45 you eat and then at 12:00 you wait tables and the same at supper. Mark will get off at about 7:00. I had it yesterday, so I know just what there is to do. Some job too, to feed 200 men. The boys of the company all have to take their turn at K. P. There are about ten at a time so you see our turn will come about twice a month. We will be sharks at kitchen work when we get back. We have to wash our clothes and make our own bed—we sweep out under the bed every morning except Saturday and then each fellow has to scrub under the bed.

Today we had inspection by the Captain and everything had to be spick and span. We have fair eats, go to bed at 9:00, get up at 5:45 o'clock and drill regularly. Our menu is about as follows: For dinner we have bread, corn and white; baked beans, pork, butter, nice pudding, stewed carrots, coffee and mashed potatoes. We have butter about every other day. We eat any and everything up here. We have a good appetite, get lots of fresh air. They keep the windows all open when we go to bed.

I don't think much of the Washington weather. It is cloudy and rains a little about every day. Those kickers that don't like the California weather ought to come up here a while and they would then appreciate it. We haven't got any of our uniform yet, but will probably get some of it next week. They sure need good shoes here.

It is rumored around our company that the 166th Depot Brigade will soon go to California, either to San Diego or Camp Fremont, near San Francisco. I don't know how much truth there is in the rumor, but here's hoping it is San Diego.

Mark and I are in the same company and his bunk is next to mine. Our program is about as follows: Get up at 5:45, go to reveille at 6:00, breakfast at 6:30, setting-up exercises at 7:30 till 8:30, rest till 7:30, drill till 10:30, rest till 11:00, drill till 11:30, mess at 12. Drill from 1:30 till 2:30, rest till 3:30, drill till 4:30, then retreat at 4:45; colors and roll call at 5:00, mess at 5:15. We really only drill about four hours daily, and if it is raining not that much. We have a poncho (raincoat). I have one and so has Mark. We put it on and it keeps us perfectly dry.

In the setting-up exercises at 7:30 they take us out on the parade ground and we take off coats and hats, take breathing exercises, leg exercises, arm exercises, etc., in fact exercises for about every muscle in the body. Great stuff. I tell you! We get Wednesday and Saturday afternoon and all day Sunday off. No drill on Saturday morning either—just inspection by the Captain. So you see we only have about 18 or 20 hours' drill a week. Mark and I were down last evening and took our physical examination and came out O. K.

Joe Gaul and Ernest Collins are in another company across the street from Mark and I, but we aim to get together when transferred to another (Continued on Page 3)

COL. THORNTON FOR GOVERNOR

"While Glendale has shown herself fit to take her place among the renowned in patriotic practices, civil advancement, and educational accomplishments, the people of this state should not forget that she has a citizen who is big enough, broad enough and great enough to grace the Governor's chair. He is courageous enough to lead us out of the wilderness of uncertainty, discontent and confusion whither we have journeyed for the last few years, and to restore to the state sound business institutions founded upon real democratic principals, thereby relegating to the rear and consigning to the scrap-heap the unwholesome 'isms' produced by the fanciful dreams of would-be modern reformers.

"That man is Tom C. Thornton, whom I now nominate for Governor of the State of California.

IMPORTANT NOTICE TO REGISTRANTS

Under jurisdiction of Local Exemption Board, District No. 7, whose order numbers are between No. 1 and No. 106, inclusive, there has this day been mailed to you a questionnaire which you are required by law to execute and return within seven days from date hereof.

Failure to do so constitutes a misdemeanor punishable by not to exceed one year's imprisonment; and such failure may also deprive you of valuable rights and result in your immediate induction into military service and trial by court-martial.

Notice to the Public and to Registrants

Any person desiring to claim a deferred classification by either Local or District Board on any ground in respect of any registrant designated herein may, within seven days from the date hereof, and not later, submit such claim to this Local Board accompanied by such affidavit evidence as such person may desire to have considered.

Such claims either by a registrant or by another in respect of any registrant may be submitted either by entering the same in the place provided on the first sheet of the registrant's questionnaire or by submitting such claim to this board on a duplicate of such first sheet (Form 1001-A). If it is desired to submit affidavit evidence in support of such claim and in addition to the evidence contained in the registrant's questionnaire, such affidavits must be prepared on paper of the same size as the questionnaire, and should be responsive to the questions asked the registrant respecting the ground of such claim in the pertinent division of the questionnaire.

Section 7 of the Selective Service Regulations provides:

The process of examination and selection of registrants, under these rules and regulations, shall begin by the posting of notice in the offices of the Local Boards on Form 1002, and by mailing a questionnaire (Form 1001) to every registrant included within such posted notice, as provided in section 92 hereof; and notice of every subsequent action taken by either the Local or District Board in respect of each registrant shall be given by entering a minute or date of such action on the classification list (Form 1000) in the office of the Local Board, and in addition to such entries, by mailing to the registrant, and in some cases to other claimants, a notice of such action.

Whenever a duty is to be performed or a period of time begins to run within which any duty is to be performed by any such registrant, or within which any right or privilege may be claimed or exercised by or in respect of any such registrant, a notice of the day upon which such duty is to be performed, or such time begins to run, shall be mailed to the registrant, and the date of such mailing of notice shall be entered opposite the name of such registrant on the classification list (Form 1000), which is always open to inspection by the public at the office of the Local Board. In addition to the mailing of such notice to registrants, notice of the disposition of claims made by other persons in respect of registrants shall be mailed to such other persons. Either the mailing of such notice or the entry of any such date in the classification list shall constitute the giving of notice to the registrant and to all concerned, and shall charge the registrant and all concerned with notice of the day upon which such duty is to be performed or the beginning of the running of the time within which such duty must be performed or such right or privilege may be claimed, regardless of whether or not a mailed notice or questionnaire is actually received by the registrant or other person.

Failure by any registrant to perform any duty prescribed by the Selective Service Law or by these Rules and Regulations, at or within the time required, is a misdemeanor punishable by imprisonment of one year, and may result in loss of valuable rights and immediate induction of such registrant into military service.

Failure of the registrant or any other person concerned to claim and exercise any right or privilege on the day or within the time authorized by these rules and regulations shall be considered a waiver of such right or privilege, and shall foreclose such person from thereafter claiming the same, subject only to the privilege granted by these rules and regulations to apply for an extension of time.

All registrants and other persons are required and strictly enjoined to examine from time to time said notice (Form 1002), so posted by the Local Board, and the classification list (Form 1000) upon which said dates are to be entered, in order to be informed of the time for the performance of any duty or the exercise of any right or privilege; and it is the duty of every registrant concerning whom any notice is posted, but who for some reason has not received the questionnaire or notice, as the case may be, to apply to his Local Board for a copy thereof. Failure to receive notice or questionnaire will not excuse the registrant from performing any duty within the time limit, nor shall it be in itself ground for extension of time.

F. D. LANTERMAN,

Date, December 15, 1917.

Member of Local Board.

RED CROSS BAZAAR

GREAT SUCCESS AS INDICATED
BY REPORTS FROM VARIOUS
BOOTHS AT BAZAAR

Bright with Christmas colors and shaded lights, the parlors of the Elks' Club presented a beautiful scene at the Red Cross Bazaar, which was thronged with generous patrons from nine a. m. until time for taps to be sounded and for the tired maids and matrons who had been in attendance all day to gather up their receipts and pack up the few odds and ends of unsold stock.

Returns at this writing would indicate that the ladies cleared more than \$550.

The first booth to claim attention, perhaps because of its position at the left of the entrance but also because it was so exceedingly attractive, was the fine arts booth of the Union High School. Miss Muller, the head of the department, and her assistant Miss Abbott, were in charge and glad to tell of the splendid work which students have been doing for the bazaar for the past two or three weeks. The work itself on sale was sufficient testimony to their industry and talent, for it was beautiful and the best kind of an advertisement of the instruction they are getting.

Under the drop light and centering the sales counter was a beautiful "Liberty Doll" gowned in tulle spangled with silver stars. As the first patron who beheld her bought her on the spot, it is unnecessary to comment on her attractions. She was designed and dressed by Miss Muller.

There were lovely stained glass transparencies for service flags, and a great variety of place cards, Christmas cards and calendars designed and executed by the students. Here too, were found the artificial flowers, in beautiful bouquets, made by the girls in the domestic arts department.

A little further on was the booth for boudoir caps over which Miss Coral E. Griffith presided. Spread out on her counter were some "dreams" in the shape of caps and it is safe to predict that none were left when closing time arrived.

Mrs. Boothby, who had charge of infant's wear, was nearly sold out at six o'clock, though she still had some great attractions.

The popularity of the apron booth which was in charge of Mrs. Albert W. Dow, was easily understood when the samples on display were examined. They were certainly a pretty lot and at the time the reporter visited the stall \$38 had been sold. Mrs. Dow was assisted by Mrs. Menzo Williams and Mrs. C. F. Parker.

As usual, the doll booth was a popular resort. Mrs. James H. Woods was the chairman and was assisted by Mrs. L. B. Helfenstein, Mrs. G. D. Roach, and Mrs. J. P. King. The stock was confined almost entirely to cloth dolls made by the committee which attracted much attention and found ready sale. Mrs. Helfenstein made the first doll and taught the other members of the committee who succeeded in manufacturing nineteen though two and one-half hours' time was required to make each doll. They sold for 75c to \$1.

Mrs. C. M. Turk proved a very efficient saleswoman at the canned fruit and jellies booth.

The miscellaneous booth, in charge of Mrs. Helen I. Campbell assisted by Mrs. LeRoy W. Bosserman and Mrs. C. E. Ringquest had a great variety of interesting things and had sold more than \$33 worth at the time the reporter inspected the stock.

The Domestic Booth, where Mrs. Josephine Fortunato was assisted by Mrs. Howard Oswald, also had great success, having accumulated \$40 at supper time.

Tea was served during the afternoon by Mrs. Eugene Murman, Mrs. I. S. Levitt and Mrs. Bode.

The evening program included a song by Mrs. Frank N. Arnold, piano solo, Miss Franc Kinch, song by Walter Butterly, song by Miss Dorothy Dow, piano solo, Mrs. Boyer, recitation of original poems by Mrs. Nanno Woods, and dances by talented pupils of the Pearl Keller School.

Mrs. G. A. Whitaker, who was general chairman of the bazaar, voiced the enthusiastic appreciation of the various committees of the generous action of the Elks Club in vacating its quarters and turning them over so completely as they had done for the Red Cross cause.

An important evening event was the big dinner which was cooked and served by members of the ladies aid of the Christian church as their "bit" for the Red Cross. Tickets were in great demand and although covers were laid for 150 many would-be guests were turned away. Mrs. John Robert White was chairman of the dinner committee.

TROPICO BOY LEAVES FOR THE FRONT

A reporter of The Evening News has just learned that when the Los Angeles Naval Base Hospital Unit No. 3, left Los Angeles over the Salt Lake route last Sunday morning at 9 o'clock, it took with it one of the most popular young fellows of Tropico, W. H. "Bill" Marple. Bill has been living in Tropico ever since that town was a "wee little burg" and there is hardly a Tropicoite who does not call Bill by his first name.

Something like six months ago when the Los Angeles Naval Base Hospital was in formation Bill felt that it was up to him to do his "bit" in the way of handing "Bill the Kaiser", his namesake, something that he really deserves, and no sooner did he hear of the formation of this base hospital unit, at which time he was told that that organization was bound to see early service in France, than down to "L. A." he went and signed up for immediate work.

A few days later he was called into service and sent to San Pedro, where for about three months he went through a course of Red Cross field duties. At the close of this course he was brought with the remainder of his unit to the County Hospital in Los Angeles, where the boys were given thorough training on the inside work. They saw as much actual service in this two and a half months as the average nurse sees in eight or ten times that length of time. As a result this unit, which numbers about 150 persons, 90 boys and 60 girls, are now ready and capable of taking charge of a base hospital a short distance back of the firing line consisting of 1,000 beds. It is understood that the hospital where this unit will be stationed is already in existence and is waiting to be occupied by this capable corps of workers.

When the boys left the Salt Lake station Sunday morning there was a great crowd there to see them off, and they got away amid a thunder of cheers. Cur Bill, as many of the Tropicoites call Bill Marple, has for the past several years been prominent in the work of the Tropico Methodist church, and in this connection he will be greatly missed.

Cards and letters received from Bill since Sunday inform the recipients that he is "having the time of his life." Could anything else be possible, we would like to know, with eighty mighty fine boys aboard the same train. He says that when the boys arrived in Salt Lake City the ground was covered with snow and ice and from that point to Cheyenne, Wyoming, the latest point from which he was heard, it snowed almost continuously.

The boys believe that they are headed for Philadelphia, from which point it is believed they will head for France at an early date, possibly before Christmas. As the boys put it, "We expect to eat our Christmas turkey while bouncing merrily over the sad sea swells." This husky bunch of lads claim that they "won't come home 'till it's over, over there."

The Los Angeles Naval Base Hospital Unit has the distinction of being the first organization in the world to have secured an outfit of the Hanson Wireless Phonograph, which was donated to the corps some time ago by the Ebell Club of Los Angeles. With this wireless phonograph it is possible to play music into the transmitting end, which is located in a sound-tight room within the hospital, for which room the music is carried by wireless to the many receiving sets attached to the various beds in the different parts of the hospital, there being no wires whatever between the sending and receiving apparatus. The music is heard only by the patient holding the receiver to his ear, so that this apparatus does not prove troublesome at all to the patients who are not physically able to stand music. There are about 150 receiving sets in this outfit, and as each set can serve two beds, it will be seen that about 300 of our wounded Sammies will be furnished entertainment by this device simultaneously, day and night.

Mrs. Geo. H. Binns, of 1540 Mil-
 ford, informs us that her son, Geo.
 H. Binns, a Mack Sennett star, will
 go on a grand rabbit hunt the first
 of the week with several companions,
 the proceeds of their prowess to be
 sold for the Red Cross.

R. A. Salisbury, 1106 N. Central

 flew up and struck him in the eye.
 Destruction of the sight of the eye
 was narrowly averted.

The enforcement of the auto head-

 discuss means of stopping the nuis-

NEW RED CROSS AUXILIARY

The spirit of service is finding its
 way into all organizations. A recent
 instance is the conversion of a little
 neighborhood club made up of resi-
 dents in the part of the city where
 Isabel and Doran streets intersect,
 has recently come to light. It has
 been heretofore devoted to informal
 sociability but has now been convert-
 ed into a Red Cross Auxiliary which
 is to meet twice a month at the
 homes of members. It met Friday af-
 ternoon at the home of Mrs. Olin on
 First street. Sewing will be its spec-
 ialty.

HOW TO HOOVERIZE

Conversations with a number of
 business men selling food stuffs, re-
 veals the fact that there is unanimous
 belief on their part that the general
 public has an erroneous idea of the
 Hoover plan of conservation and that
 they should be educated along that
 line. Just as when hard times are
 threatened men with capital drew in
 their money instead of letting it out
 to give many people employment.
 Just so did many people when ex-
 hortated to save. They quit buying,
 starved themselves in a measure, and
 jealously hoarded their money. Re-
 member Hoover said "eat all you
 need, but do not waste a crumb." Stint-
 ing ourselves will reduce our
 strength and prevent us "doing our
 bit" and it will force many mer-
 chants out of business. Indeed it has
 done this already and thus many are
 deprived of employment. We are sure
 the people need but to be reminded
 that the admonition is "Do not stint
 yourselves, but do not waste," to
 change their manner of doing.

AT CAMP LEWIS

(Continued from Page One)
 company which will probably be
 pretty soon.

We sure had a swell trip up here,
 some beautiful scenery coming up.
 That "Shasta route" was sure great.
 I would probably have enjoyed it
 even more if I hadn't such a large
 family to look after (34 men.) I got
 along very nicely though. Joe, Ernest
 and Mark helped me out. When we
 got to Ashland, Oregon, we stopped
 a half hour and the restaurant there
 got us a swell supper. The govern-
 ment allowed each one 60 cents for
 each meal. When we got to Port-
 land, Wash., we had breakfast and
 then ordered a chicken dinner at
 1:30. We laid over until 4 p. m. The
 dinner was \$1.20 apiece, but we had
 an extra meal ticket because we had
 missed one meal on the way, so you
 see we had plenty of eats.

We may go to Tacoma tomorrow.
 It is only 16 miles, fare 60c round
 trip. They won't let any of the sol-
 diers go to Seattle.

The Y. M. C. A. is sure doing a
 wonderful work here. Tell the girls
 and the boys that the money they
 gave was well spent. Was just to
 supper, had corn and white bread,
 beef, gravy, butter, peaches, tapioca
 pudding, tea, potatoes— isn't that lay-
 out good enough for anybody?

Those people that talk so much
 about not feeding the soldiers and
 no covers on beds, don't know any-
 thing about it. We have two army
 blankets and one comfort—plenty
 warm. They have a piano up stairs
 and lots of music. Over in the Y. M.
 C. A. they have talking machines,
 magazines, etc. Lots of stationery
 and ink free, writing tables, etc.
 They generally have some kind of
 entertainments at the Y. M. C. A.
 every evening. Tell everybody hello.
 My address is, Camp Lewis, Ameri-
 can Lake, Wash., 75th Co. 19 Batta-
 lion, 166 Depot Brigade.

Your son,
 HARRY FRANCY.

PARENTS

and others who have relatives
 in the war frequently ask me
 as to the real mortality of the
 soldiers at the front. This mat-
 ter has sometimes been grossly
 exaggerated as to the Allies
 and we have every reason to
 expect that the death loss will
 be even less among our boys,
 because of the superior care of
 our officers.

Quoting from a recent issue
 of the "Official Bulletin":
 "Military experts in this coun-
 try agree that the killed in
 action and died of wounds have
 never at any time in this war
 exceeded 20% of the total casu-
 alties. This gives a figure of
 108.2 fatalities from these
 causes in every 10,000 mobi-
 lized strength, or practically 11
 men killed in action or died of
 wounds for every thousand
 men with the colors."

From this we gather that the
 danger of being killed (for a
 husky young fellow who re-
 lishes no game without some
 element of danger) is not much
 greater than that experienced
 in playing football a few years
 ago, before mass-plays, wedge-
 formations and hurdling were
 prohibited.

COOKED FOOD BOOTH

From Mrs. Dan Campbell, who is
 chairman of the Red Cross War Re-
 lief committee of the Tuesday After-
 noon Club, the Evening News has
 been advised that receipts from the
 cooked food booth at the bazaar,
 totalled \$79.15 and all stock was
 sold. Mrs. F. A. Hunt, Mrs. Addison
 and Mrs. V. P. Brown had charge of
 collecting and selling and are en-
 titled to much credit for the success
 achieved.

THE SECRET OF SUCCESS

If the skies look dull to you,
 Get to work.
 If the atmosphere is blue,
 Get to work.
 Fostering your discontent,
 Will not pay the monthly rent;
 Try to gain a nobler bent—
 Get to work.
 Brooding doesn't help your cause—
 Get to work.
 Nothing gained by picking flaws—
 Get to work.
 Weak are trampled by the strong,
 Oft a victim of man's wrong?
 Stand the storm, it won't be long,
 Get to work.
 If success shall come, you must
 Get to work.
 There's no other way but just
 Get to work.
 Though it brings no wealth or fame,
 Much or little just the same;
 If you perish you'll die game—
 Get to work.

—FRANK BOOTH,
 1005 W. Broadway.

CHRISTMAS MARKET

The Christmas market of the First
 Congregational church of Glendale,
 was a decided success. The booths
 were prettily decorated and well fil-
 led with articles for sale. The booths
 were in charge of the following lad-
 ies:

Embroidery, Mrs. Spaulding; Fan-
 cy work, Mrs. Sipple; Crochet, Mrs.
 Yarrick; Bags, Mrs. Atkinson; Aprons,
 Mrs. Goodridge; Ice creams Mrs.
 Owens; Grocery, Mrs. Frazee; Candy,
 Mrs. Joseph; Cooked food, Mrs. Beot-
 tler; Rugs and comforts, Mrs. Adams;
 Flowers, Mrs. Porter; White
 Elephant, Mrs. Schuyler.

Nearly all the articles were sold
 and lunch tables were well patron-
 ized, the net proceeds being over
 \$200. Our enthusiastic president,
 Mrs. Blake Franklin, prepared the
 program for the Thursday afternoon:
 a violin solo, Miss Fuiks, of Los An-
 geles; readings by Mrs. Gertrude
 Follansbee and piano solos by Miss
 A. S. Laver and Miss Edith Wilson.
 Thursday evening the choir gave an
 evening of musical tableaux. Friday
 afternoon, a piano duet by Millicent
 Alvord and Margaret Frazee; read-
 ings, Mrs. A. H. Howard; piano solo,
 Miss Henerita Sommers. Friday
 evening, a violin solo, Miss Faith
 Talumy; readings, Mrs. Gertrude Fol-
 lansbee; vocal solo, Mrs. Calvin
 Whiting.

 Conductress;
 Mrs. Lucile Eames, Adah;
 Mrs. Theodora Letts, Ruth;
 Mrs. Anna Rattray, Esther;

 Mrs. Mabel Richardson, Electa;
 Miss Mildred Lyon, Warder;
 Mr. James Wyvell, Sentinel;
 Mrs. Ellen Wilde, Chaplain;
 Mrs. Blanche Peterson, Marshal;
 Miss Dorothy Wilde, Organist.
 Much praise was accorded to Miss
 Harriett Nichols for her excellent
 work as Installing Marshal.

The Worthy Matron, Miss Della
 Echols, amid rounds of applause as-
 sumed her station. Her address to
 the Chapter was a work of art and
 endeared her to all who were privi-
 leged to hear it.

The Worthy Patron, Robert M.
 Grumbling, in a few well chosen
 words thanked the Chapter for his
 re-election and presented Miss Echols
 with a basket of exquisite red roses.

The retiring Worthy Matron was
 then presented with her jewel, at
 which time she gave her farewell ad-
 dress which portrayed a beautiful
 sentiment of appreciation and love to
 her officers and members who had so
 loyally supported her throughout the
 year. To her Worthy Patron, Mr.
 Grumbling, she gave a handsome set
 of bronze book-ends and in return
 received an exquisite cut glass vase.
 An elegant diamond brooch was pre-
 sented to her by Mr. Beamon. Mrs.
 Mary Pollock, in behalf of the offi-
 cers, presented her with a beautiful
 antique basket laden with rare blos-
 soms. Dr. Hogue, in an eloquent ad-
 dress, with a sterling silver vanity
 case, representing the esteem and
 love of the members, a lace yoke
 from Mrs. Annette Booth and baskets
 and bouquets of flowers from friends
 and individual members of her Chap-
 ter.

A gorgeous basket of red roses,
 bearing a card from her father and
 mother, conveyed a message of love
 as they could not be with her, but
 their unexpected arrival from Ari-
 zona filled her cup of happiness to
 overflowing. In accepting these gifts,
 Mrs. Beamon responded in a pleas-
 ing manner revealing to all the sweet-
 ness of her womanly character.

At the close of the impressive ce-
 remonies, hearty congratulations fol-
 lowed.
